Horrific night. Got yelled at in a

Will try to call if I can muster the energy.  
Am I that horrible a person???

I hope your call with Jerry went well.  
I really enjoyed our phone chat, even though  
it was a pretty serious one.

You make me smile whenever I think of you.

I will be out shopping this afternoon and then going to dinner with some friends. I will try calling tonight if that will work for you.

Hope you have a relaxing stress free day. I have few of those types of days anymore. I pray it will change in the near future.
